

Renovation Committee Report 2017

Work completed and paid for:

1. Roof and north entryway
2. Outside landscaping
3. Painting of Fellowship Hall
4. Painting of some of the classrooms upstairs
5. Some work on bathrooms upstairs
6. Replacing sliding doors in Fellowship Hall
7. Replacing windows in Narthex
8. Adding handicapped access to the front sidewalk and the rear area and replacing bad concrete

Work that needs to be completed that requires little money and lots of volunteer labor:

1. Paint paneling in Narthex
2. Remove paneling, repair sheetrock, texture and paint walls in worship area
3. Remove the rest of the sidewalk that goes nowhere and fix landscaping in that area
4. Stain siding below new windows
5. Tint windows above front of church

Work that is funded but not done:

1. Radio room buildout

Work that will require more money to be raised and a priority plan from the council and the membership:

1. Reworking of the altar area and removal of the communion rail
2. What to do with the organ?
3. Remodeling of the window area on the front of the education building
4. Replace light fixtures in worship area
5. Replace carpet when all work is done
